OFFICE OF THE  
CLERK OF THE

Sir:

As Treasurer of the National Fiscal Conservative PAC (NFC PAC), I had no prior knowledge of any conversations that Bill Hemrick may or may not have had with any members of the Bachman for President Campaign in regards to the allegations stated in Complaint MUR 6724.

Bill Hemrick was the original President of the NFC PAC and was in that position until March 12, 2013.

As the NFC PAC never grew to the size that Hemrick and others hoped to achieve, the NFC PAC never had an official office nor was there daily contact between myself and Hemrick or anyone else. I was not aware until some time afterwards that Hemrick was even in Iowa at any time in 2011.

Prior to that time, when the PAC decided to convert to a "Super PAC" on 10/21/2011, I instructed all associated with the NFC PAC to never have any contact with members of any federal campaign. As for my own part, I never did.

On 11/28/2011, the PAC received a \$10,000 contribution. On 12/28/2011, the PAC received a \$7,000 contribution. Within a few days, Hemrick instructed me to contact Clear Channel Communications to arrange for payment of some radio advertising time that Hemrick had arranged on Iowa stations prior to the Iowa Caucus. I arranged the payments and had no further contact with Clear Channel.

On March 12, 2012, Hemrick left the NFC PAC. Mark Skoda assumed the role as President in July, 2012. Later in 2012, Patrick Slota assumed the role of President.

After months of inactivity, Slota agreed with me to terminate the PAC and it is currently being terminated, once some monies are disbursed and the State of Tennessee terminates the entity.

Apparently, I never properly changed the address of the PAC, so I only received the Complaint when Hemrick handed the letter to me on March 10, 2013, which he received at his address.

While I have no desire to make the matter public, apparently Mr Waldron has other desires as a friend passed along the following link to me.

What I have written is what I know. Other than Bill Hemrick, I do not know any of the other names listed in the complaint.

I have included my address and phone number should you wish to contact me directly.

Respectfully,
